Welcome ♦ Bienvenidos

Local courses juxtapose the thrill of competition and the serenity of the natural surroundings, taking golfers on a scenic journey of stimulating greens and fairways.

Golf Courses

Beautifully maintained 18-hole, par 72 courses take advantage of Las Cruces' unique desert characteristics, forcing golfers to steer clear of tricky brush and unforgiving rough. At over 3,200 feet above sea level, golf balls travel farther than usual, sometimes resulting in unexpected obstacles that can require some creative shot-making.
